Mission Area Annual Vestry Meeting

The AVM for the Mission Area is on Thursday 26th April, 7.30pm at Pool Quay Church. This is an open meeting that any member of any of the churches in the MA is invited to and indeed encouraged to attend. There will be an opportunity to reflect on what we think need to be the priorities for our churches over the next year, a chance to hear about how the Diocese is encouraging us to help our churches to grow over the next year, a report on our progress as a MA, the election of officers and the chance to ask questions.

Helping your church to grow

There are more places available on the Leading your Church into Growth (LyCiG) course and we're keen to get more people onto this excellent course. Are there one or two people from the MA who would be interested in how to grow their church, by doing small things that can have a big impact both in the depth of discipleship and in numerical growth? The course takes place at The Hayes, Swanwick, Derbyshire, from the afternoon of 16th April to lunchtime on 19th April. An en-suite room is provided for each delegate and the course, accommodation & meals are provided at no cost to the delegate. If you might be interested, please contact siancharlesworth@cinw.co.uk. Also let me know too as we may be able to share transport with people who are already going.

Living with Dementia

We are all aware of the increasing number of people living with dementia and many of us will know a friend, parent or spouse living with various forms of dementia, and the challenges that they face. We want to help make the church 'dementia friendly', a place where people living with dementia feel safe and supported.

Contact Rev Caroline Rhodes for more info – 01938 554245.

TLG Coffee Mornings

Sue Williams is running 2 more Coffee mornings in Church House, Welshpool on Sat May 5th & Sat August 11th from 9:30-11:30 am to raise money for the MA's TLG scheme which provides mentors who can help provide young people in our schools with extra one-to-one support. Sue needs help & support from all the churches in the Mission Area to run these coffee mornings. If you are able to help on the day, provide draw prizes, cakes, books or craft for the stalls she would be very grateful. We need a minimum of 8 people to run the morning successfully. Please contact me (details below) if you can help Sue. Thank you!
