M.U. celebrates more than 140 years since it was founded by Mary Sumner as a support network for families. In 2016 we saw that wherever we work in the world the need to support families is greater than ever. In over 80 countries the 4m MU members share a vision - to bring about a world where God's love is shown through loving, respectful & flourishing relationships. It is by working together that family life can be strengthened and communities transformed.

Mothers' Union Prayer:

We thank you Lord for your love so freely given to us all. We pray for families around the world. Bless the work of the Mothers' Union as we seek to share your love through the encouragement, strengthening and support of marriage and family life. Empowered by your Spirit, may we be united in prayer and worship, and, in love and service, reach out as your hands across the world. In Jesus' name, Amen
