

Help us build a

In the church yard

and make one to take home.

We want to see all sorts of wildlife thriving in the church yard and around the village, so please join us

TUESDAY AUGUST 2nd 2pm-4pm or

WEDNESDAY AUGUST 10th 10am-12noon

Materials will be provided, but if you have any fir cones, hollow stems or twigs, please bring them.

We hope this will be fun for all the family: children must be accompanied by a responsible adult.
